Connects Potential Customers to EDmarket Dealers Like You!

This site is designed to help potential customers find both physical store locations and e-commerce websites of EDmarket member dealers in good standing and drive traffic to your business.

Help Customers Find Your Business

Check out the [new website](#) and be sure your store locations and websites are listed correctly on this high profile resource. In order to be listed on the "Shop Local" directory you must be a current EDmarket dealer with retail store. To be listed on the "Shop Online" directory, you must have an e-commerce website (commercial transactions conducted electronically on the Internet).

Instructions on How to Update Your EDmarket Dealer Member Listing

If you need to make changes to your profile to reflect your business type, log into your my [EDmarket account](#) and click on the **Manage Your Company** icon. Please note that changes can only be made by the primary or secondary contact. [Forget Your User ID and/or Password?](#)

Click on Step 1 to indicate by checking the appropriate boxes if you are a retailer and/or e-commerce website.

Step 2 allows you to manage your roster so the right people from your team are receiving communications from EDmarket and will be listed in the Membership Directory.

Step 3 is where you can add additional retail locations to appear in EDmarketdealer.com at no additional cost.

Be sure to check the Electronic Signature Box under **Step 1** and click the Save Changes button before exiting each step. Doing so will confirm that your company's information is listed correctly on the EDmarketdealer.com site.
