Artcobell Expands Canadian Presence with Five New Dealer Partnerships

Temple, TX, May 2026 – Artcobell is pleased to announce five new dealer partnerships across Canada, marking a significant expansion of the company’s presence in the Canadian education market. The new partnerships span key provinces from British Columbia to Newfoundland, bringing Artcobell’s American-made school furniture to a broader network of Canadian schools and educators.

The five new authorized dealers are as follows:

YourSpaces by Thomas Distributors Inc. | British Columbia

YourSpaces by Nicholson & Associates | Alberta

Schoolhouse Products Ltd. | Ontario, Manitoba, Saskatchewan, Newfoundland

Nulook Office Solutions | Montreal, Quebec

POI | Ontario

Each dealer brings deep regional expertise and a strong commitment to serving the education sector, making them ideal partners to represent Artcobell’s student-centered, all-ability school furniture across the country.

“Expanding our reach with our neighbor up north represents an exciting opportunity for Artcobell, and we are proud to be growing our presence there with partners who share our dedication to quality and to the students and educators they serve,” said Kevin Smith, Artcobell President. “Each of these

dealers brings the local knowledge and relationships needed to ensure Canadian schools have access to furniture that truly makes a difference in quality of education.”
