

EDchats

At Marco, we are passionate about creating educational furniture that inspires learning, fosters collaboration, and helps students and teachers reach their full potential. As a family-owned and operated company for over a quarter century, we take pride in our craftsmanship, integrity, and unwavering commitment to providing the highest quality furniture solutions for educational institutions across the United States.

At the heart of our company is a team of professionals who share values of excellence, innovation, and customer satisfaction. We proudly offer a range of products, including student desks, chairs, teacher desks, and storage products. Our Bandstor™ line includes specialized items for band and music classrooms, from instrument, uniform and robe cabinets to conductor podiums, folio cabinets, and mobile instrument racks.

Our strong values, innovative products, and exceptional customer service positively impact education, one classroom at a time. We take our relationship with you seriously—because you shape our future.

ANGIE ZILM

MARCO \ Director of Sales

With almost 20 years of experience in education furniture sales, Angie is a great addition to the Marco family. She offers her expertise on the dealer side of the project business along with the manufacturing side. She loves to see the impact the furniture makes on the students, educators, and community members.

She graduated from Concordia University in St. Paul MN with a degree in Organizational Management & Communications. She obtained her MBA from Concordia University as well. She has three grown children and one granddaughter. Angie resides in Southern MN.
